JESUS CHRIST

The Biblical doctrine of the Christian Church has maintained that Jesus Christ is

- *co-eternal & co-equal* with the Father & Spirit
- *co-creator* of the universe with Father & Spirit
- He was conceived by the Holy Spirit (*supernatural conception*) and born of the Virgin Mary (*natural birth*)
- He is thus *both* fully divine *and* fully human.
- He was crucified on a cross by Pontius Pilate for our sins,
- died a physical death and was buried, and
- rose again bodily from the dead to give us eternal life & the promise of physical resurrection.
- He ascended back to heaven
- He is coming again to judge the living & the dead and to bring in God's eternal reign.

Arianism claimed that Jesus Christ was not co-eternal with God the Father but was created. The Nicene Creed of 325AD was an answer to this heresy.

Docetism claimed that Christ was wholly divine but only seemed human (Greek *dokesis = appearance*).

Ebionites believed Jesus was just a prophet, not divine as God incarnate.

Eutychianism claimed Jesus was just divine, not human

Islam acknowledges the humanity of Jesus born of Mary, but denies the divinity of Jesus Christ, saying he was just a prophet. Muslims also deny the death for sins and the physical resurrection of Christ.

Jehovah's Witnesses deny the physical resurrection of Christ

Monophysitism denied Christ's humanity, saying he had a single (*mono*) divine nature. This is the doctrine of Eastern orthodox churches today.

Mormonism claims that Christ's death bought general atonement for all. They also practise baptism on behalf of the dead for remission of sins.

Nestorianism claimed that Jesus was born a human being only and was filled with the divine logos, or spirit.

New Age beliefs claim there is no such thing as sin, judgement, heaven or hell, and therefore no need for faith in the finished work of Christ on the cross. PH 03 03 08

MANKIND, SIN & SALVATION

Biblical doctrine holds that

- Mankind is subject to original sin as a result of Adam & Eve's disobedience.
- Man cannot save himself by good works - only by responding to God's gracious offer to all of salvation through faith in the finished work of Jesus Christ on the Cross.
- Mankind has free will to choose to accept this or not, but God knows who are his children (election and pre-destination).

Original sin & mankind's inability to save himself, which was denied by Pelagius in **Pelagianism**.

Donatism held that the validity of baptism depended on the holiness of the person baptising you (thus denying the finished work of Christ on the cross)

Gnosticism was a heresy Paul wrote about in his letters to churches in Asia Minor (especially COLOSSIANS), and which has become popular again through the Gnostic gospels (eg of Thomas) found at Nag Hammadi in Egypt. It claimed that salvation was only for those with secret spiritual knowledge (Greek word *gnosis*= knowledge). Angel worship is part of this pseudo-super-spirituality, which denies the finished work of Jesus Christ's death & resurrection.

Other heresies, including New Age beliefs, deny the need for salvation through faith in Jesus Christ's death on the cross for sins. You simply need to seek the god within YOU PH 03 03 08
