God's righteous anger is being revealed from heaven against all the ungodliness and wickedness of people, who deliberately suppress the truth from sheer wickedness. That's because the evidence for God is plain for them to see, because God has shown it to them.

For ever since the creation of the universe His invisible nature and attributes - His eternal power and divinity - have been intelligible and clearly discernible in and through His creation, so that people have no excuse.

In spite of knowing God's existence, they did not honour Him as God or give Him thanks. Instead they became foolish in their reasoning and their senseless hearts were darkened.

Claiming to be wise, they became fools by exchanging the glory of immortal God for images made in the likeness of mortal men, birds, four-footed animals and reptiles.

So God has given them over to the lustful desires of their hearts...because they have exchanged the truth of God for a lie, bowing down to and serving the creation rather than the Creator.

Jesus told them, *"Don't let anyone fool you, for many will come in my name, claiming, 'I am the Messiah.' They will deceive many. And you will hear of wars and threats of wars, but don't panic. These things must happen, but the end won't follow immediately. Nation will go to war against nation, and kingdom against kingdom. There will be famines and earthquakes in many parts of the world. But all this is only the first contractions of the birth pains....."*
"Many false prophets will appear and will deceive many people. Sin will be rampant everywhere, and the love of many will grow cold. But the person who endures to the end will be saved. And the Good News about the Kingdom of God will be preached throughout the whole world, so that all nations will hear it; and then the end will come."
